vs.

Defendant(s).
JOSEPH NORRIS

Case Name: NEUROWAVE
MEDICAL TECHNOLOGIES, ETC. VS.
JOSEPH NORRIS, AN INDIVIDUAL

Case Number: CV 13-03767 LB SI

Title of Document:

REQUEST FOR EXTENSION

TITLE OF DOCUMENT: REQUEST FOR EXTENSION
CASE NO.: CV 13-03767 LB

PAGE NO. 2 OF 2

1 I, Joseph Norris do not yet have counsel in this case, and require additional time
2 to prepare a response. Also, a settlement is being discussed in regard to this case.
3 Although I have sought the plaintiff's (Neurowave Technologies) agreement for an extension as
4 we have been negotiating a settlement, they have refused my request.
5 Since a settlement agreement has been delayed by the plaintiff's desire to modify or change
6 specific points and language in the proposed settlement agreement, I hereby request, therefore,
7 that this Court grant a sixty (60) day extension file my answer to the complaint through and
8 including November 12, 2013, or a shorter extension for a period of time the Court deems
9 appropriate.
